RE: NHPUC No. 3 Tariff for Telephone Service

Dear Ms. Howland:

Enclosed for filing is an original and six copies of Supplement No. 1 to Tariff No. 3 of Bretton Woods Telephone Company.

On June 11, 2012, Governor John H. Lynch signed into law New Hampshire Senate Bill 48 which, among other things, deregulated rates and charges for end user telecommunications services as of August 10, 2012. Accordingly, Bretton Woods Telephone Company is withdrawing its NHPUC Tariff No. 3 effective February 28, 2013.

Bretton Woods Telephone Company has developed a Product Catalog of rates, terms and conditions for its products and services which resides at www.bwtc.net.

Sincerely,

A handwritten signature in black ink, appearing to read "Art Nicholson".
