Re: New Hampshire Electric Cooperative, Inc.
Certification Applications for Class II Eligibility on Behalf of the Following
Entities Pursuant to RSA 362-F:
DE 13-114 Norm Leblanc DE 13-115 The Margret & H.A. Rey Center
DE 13-116 Larry Graykin DE 13-117 Larry Spencer

Dear Mr. McNeil:

On April 18, 2013, you submitted applications on behalf of New Hampshire entities Norm Leblanc (Leblanc), the Margret & H.A. Rey Center (Rey Center), Larry Graykin (Graykin), and Larry Spencer (Spencer) requesting that the Commission grant approval of their photovoltaic facilities to produce Class II, Renewable Energy Certificates (RECs) pursuant to RSA 362-F, New Hampshire's Electric Renewable Portfolio Standard law. Staff has reviewed these applications and has recommended approval of the above-named applicants' photovoltaic arrays as eligible for Class II RECs effective April 18, 2013.

Since these facilities are customer-sited sources, the output is not recorded in the New England Power Pool Market Settlement System and, as a result the output must be monitored and verified by an independent monitor. Your application states that NHEC will monitor the facilities' output as required by N.H. Code of Administrative Rules Puc 2505.08 and 2505.09. These facilities' total output will also be included in the *NHEC Class II Aggregation's* total output reported to the NEPOOL Generation Information System as approved by the Commission on April 9, 2010.

The details for these facilities are listed in the following table:

Docket #	Facility Owner	Facility Location	Total MW listed in application (DC Arrays)	Effective Date to Produce RECs	NH Certification Code
DE 13-114	Leblanc	Plymouth	0.0049	04-18-13	NH-II-13-041
DE 13-115	Rey Center	Waterville Valley	0.00051	04-18-13	NH-II-13-042
DE 13-116	Graykin	Deerfield	0.0052	04-18-13	NH-II-13-043
DE 13-117	Spencer	Holderness	0.00424	04-18-13	NH-II-13-044

The Commission has determined that NHEC has provided all the information necessary to demonstrate these facilities' eligibility for certification and hereby certifies the above named photovoltaic arrays as eligible for Class II RECs effective April 18, 2013.

Sincerely,

Debra A. Howland
Executive Director

SERVICE LIST - EMAIL ADDRESSES - DOCKET RELATED

Pursuant to N.H. Admin Rule Puc 203.11 (a) (1): Serve an electronic copy on each person identified on the service list.
