# Notice of Pre-Hearing Conference Petition for Increase in Rates PENNICHUCK EAST UTILITY, INC. Docket No. DW 13-126 July 19, 2013 10:00 AM

Pennichuck East Utility, Inc. (PEU) has petitioned the New Hampshire Public Utilities Commission (Commission) for approval of an increase to its rates. PEU has asked for a temporary increase of 7% at the current rates and an overall permanent increase of 12.21% which the company proposes implementing in two phases. PEU's request is based on increases in its operating costs as well as investment in its plant and treatment systems to ensure continued compliance with the Safe Drinking Water Act. The increase would apply to all customers. For customers of Birch Hill, Locke Lake and Sunrise Estates, the increase applies to the meter charge and volumetric rate but not to the capital recovery surcharge. The increase for PEU residential general metered customers would be as follows:

The Commission has scheduled a Pre-Hearing Conference to be held at the Commission's Offices in Concord on July 19, 2013 at 10:00 AM. At the Pre-hearing Conference, the Commission will hear preliminary statements from PEU and other parties, and will consider requests for formal intervener status.

The Pre-Hearing Conference is open to the public. Customers and other interested parties are invited to attend the hearing and comment on the company's request. Those unable to attend the hearing may submit written comments to the New Hampshire Public Utilities Commission at 21 South Fruit Street, Suite 10, Concord NH 03301 or via e-mail at puc@puc.nh.gov Tel: (603) 271-2431 Fax: (603) 271-3878

Consider this deal where South gets to four hearts as shown and West leads the K-Q of diamonds. Declarer ruffs the third diamond and forces out t ace of hearts. South wins East's trump return and, having alrealost three tricks, must avoid a spade loser.

With this spade combination declarer would normally lead to the ace and then back to the jack, hoping East had the queer
