RE: DE 13-177, Public Service Company of New Hampshire  
Least Cost Integrated Resource Plan  
Request to Amend Procedural Schedule

Dear Director Howland:

On September 27, 2013 the Commission approved a procedural schedule in the above-referenced docket that called for a technical session to begin at 10:00 a.m. on November 22, 2013. Presently scheduled for 9:00 a.m. to noon that same day is a settlement conference in Docket No. DE 12-262, which will require the participation of various individuals and parties who are also participating in this docket. In an effort to accommodate both meetings, I am requesting that the Commission amend the procedural schedule in this docket to move the technical session to 1:30 p.m. on November 22. I have communicated with Staff and the OCA, the only other parties to this docket, and both have agreed to this requested amendment.

Thank you for your assistance with this matter. If you have any questions about this matter, please do not hesitate to contact me.

Very truly yours,

Matthew J. Fossum
