**Re: Amendment to Application for Natural Gas Aggregator License for
TFS Energy Solutions, LLC**

Dear Ms. Howland:

On June 27, 2013, via email, The New Hampshire Public Utilities Commission requested clarification to the Application of TFS Energy Solutions, LLC d/b/a Tradition Energy ("Tradition") to be licensed as a Natural Gas Aggregator in the State of New Hampshire, as filed on June 25, 2013 (the "Application.") Pursuant to such request, Tradition's original response to Section 7 of the Application should be deleted in its entirety and replaced with the following:

Tradition Energy will not be representing any supplier interests. Tradition acts as an energy procurement and management consultant to the end consumers of natural gas, and represents only their interests.

Thank you for your assistance with this matter. If you have any questions please contact me at (203) 391-2253 or lauren.zinman@tradition.com.

Sincerely,
