Re: West Swanzey Water Company Step Adjustment (DW 10-159 & DW 12-048)

Dear Ms. Howland:

Enclosed are the original and 7 copies of West Swanzey Water Company's filing for a step adjustment. The filing for a step adjustment was approved in DW 10-159. If the filing is approved as submitted, annual revenues would increase \$3,803 or 5.70%. The Company respectfully requests that the Commission Staff review the filing and make a recommendation to the Commission for approval. If you have any questions or comments, please let me know.

Sincerely,

A handwritten signature in black ink, appearing to read "Stephen P. St. Cyr", with a horizontal line extending to the left.
