Re: DM 13-237, REP Energy, LLC
Request to Expand Service Area

Dear Mr. Leibman:

On March 10, 2014, REP Energy, LLC (REP Energy), a competitive electric power supplier currently authorized to provide service in the franchise areas of Unitil Energy Systems and New Hampshire Electric Cooperative, filed a request to expand its service area to include the franchise area of Liberty Utilities (Liberty). With its filing, REP Energy included a copy of a certificate demonstrating it had completed electronic data interface testing with Liberty.

Staff reviewed the filing and recommended the Commission approve the request, in a memorandum filed on March 11, 2014. The Commission has reviewed REP Energy's filing and Staff's recommendation and has approved REP Energy's request. Accordingly, REP Energy is authorized to expand its service area to include the franchise area of Liberty, effective as of the date of this letter.

Sincerely,

A handwritten signature in blue ink, appearing to read "Debra A. Howland".
