Re: Lorden Commons Sewer Company, LLC

Dear Ms. Howland:

Pursuant to RSA 378, enclosed are the original and six copies of Lorden Commons Sewer Company's ("Company") notice of intent to file a petition for the establishment of an initial sewer rate. A copy of the notice of intent to file a petition for the establishment of an initial sewer rate has also been provided to the Office of the Consumer Advocate. The Company estimates that the initial revenue requirement will be \$11,616. It is our understanding that the Commission will acknowledge receipt of this notice and that the Company will have 30 – 60 days in which to file its rate schedules.

Also, enclosed is a request for waiver of certain PUC 1604.01 Rate Case Filing Requirements. The reason for the waiver is noted along with the request.

Finally, please add Stephen P. St. Cyr and Bob Greene to the service list.

If you, the Commissioners and/or the PUC Staff have any question or comments, please call me at 207-423-0215 or email me at stephenpstcyr@yahoo.com.

Sincerely,

Stephen P. St. Cyr
