Re: DM 13-357 Summit Energy Services d/b/a Schneider Electric
Application to Renew Registration as Provider of Natural Gas Aggregation Service

Dear Ms. Kelch:

On December 23, 2013, Summit Energy Services d/b/a Schneider Electric (Schneider Electric) submitted an application with the Commission to renew its registration as a provider of natural gas aggregation service. Staff reviewed the application and determined that it is complete. Staff noted that the application was not filed within 60 days of the currently expiring registration as required by N.H. Admin Code Puc 3003.05(a). Despite Schneider Electric's late filing, Staff recommended that the Commission approve the application because this is the first time Schneider Electric has been tardy with its filing.

The Commission approves your application to renew your registration as a provider of natural gas aggregation service, effective February 6, 2014. The registration is for a term of 5 years and expires at the end of business on February 5, 2019. Pursuant to N.H. Code Admin. Rule Puc 3003.05(a), you must submit your next renewal application at least 60 days prior to the expiration of the registration approved here, on or before December 4, 2018.

Please be aware that registered providers of natural gas aggregation service are subject to specific requirements contained in N.H. Code Admin. Rules Puc 3000 – Competitive Natural Gas Supplier and Aggregator Rules. These rules are available at: <http://www.puc.nh.gov/Regulatory/Rules/PUC3000.pdf>.

Sincerely,

Debra A. Howland
Executive Secretary
