**RE: DM 14-008, Submission of Mint Energy, LLC's Original Letter of Credit**

Dear Director Howland,

Mint Energy, LLC ("Mint Energy"), hereby submits its Original Letter of Credit with The New Hampshire Public Utilities Commission ("The Commission").

On March 26, 2014, Mint Energy requested that The Commission waive Puc 2003.03(5)(a), which requires that all Competitive Electric Power Supplier ("CEPS") applicants provide financial security with a minimum term of five years and 150 days.

On April 11, 2014, The Commission Staff issued a Memo, recommending that the Commission approve Mint Energy's request for a waiver, with the conditions that Mint Energy provide the Original Letter of Credit to The Commission, and that the term of Mint Energy's CEPS registration be contingent on the term of its financial security.

Enclosed, please find Mint Energy's Original Letter of Credit with a one-year term beginning April 17, 2014 and ending April 16, 2015, along with two additional hard copies. A PDF version of the Original Letter of Credit has been emailed to the following address: [executive.director@puc.nh.gov](mailto:executive.director@puc.nh.gov)

If Staff has any questions, please contact me directly at **781-229-6468 ext. 308** or by email at **acvitkovic@mintenergy.net**

Sincerely,

/S/
