RE: Docket No. DE 14-236  
2015 Stranded Cost Recovery Charge Rate Change – Mid-Year Adjustment Update  
CORRECTION

Dear Director Howland:

Yesterday Public Service Company of New Hampshire d/b/a Eversource Energy (“Eversource”) submitted an update to its request for an adjustment to the current Stranded Cost Recovery Charge (“SCRC”) rate, proposed for effect on July 1, 2015. Included in that submission were the testimony and schedules of Christopher J. Goulding. Due to an oversight, the incorrect rates table was included with the schedules as CJG-4 page 4 of 4. With this submission, Eversource provides the corrected SCRC rates table which should replace the table provided with the previous submission.

If you have any questions, please do not hesitate to contact me. Thank you for your assistance with this matter.

Very truly yours,
