Re: Docket No. DE 14-238 PSNH Asset Divestiture

Dear Ms. Howland:

I am writing to request a change in service list for the Office of Energy and Planning in the above-referenced docket, and for notices of future dockets related to PSNH's generation assets.

Please remove Meredith Hatfield from the service list and add the following OEP staff to the list:

Richard Minard, Deputy Director
Richard.minardjr@nh.gov

Kerry Holmes, Energy Analyst
Kerry.holmes@nh.gov

Thank you for your assistance.

Sincerely,

Meredith A. Hatfield
Director
