Dear New Hampshire Public Utilities Commission,

Enclosed please find the application (the "Application") of Agera Energy LLC ("Agera") requesting authorization to conduct business in the utility service territories designated in the Application as a Competitive Retail Electric Supplier ("CRES"). Agera appreciates your consideration of the Application and stands ready to answer any questions that you may have as well as provide any supplemental information that you require.

To facilitate your review of the Application, I would like to provide the following background information regarding Agera. Glacial Energy Holdings and its affiliates ("Glacial") filed for bankruptcy protection in the U.S. Bankruptcy Court for the District of Delaware on April 10, 2014. Glacial's affiliates, namely, Glacial Energy of New England Inc. ("Glacial Energy New England") and Glacial Natural Gas, Inc. ("Glacial Natural Gas"), conduct businesses as an electric generation supplier and a natural gas supplier, respectively, pursuant to the rules and regulations administered by the New Hampshire Public Utilities Commission.

Pursuant to a sale order (the "Sale Order") signed by the Bankruptcy Court on June 17, 2014 in Docket Number 377, the Bankruptcy Court approved a sale of substantially all of Glacial's assets to Platinum Partners Value Arbitrage Fund LP ("Platinum") or its designee. (The following is a link to the Sale Order and its exhibits:

http://www.omnimgt.com/cmsvol2/pub_46805/482055_377.pdf.) Platinum has designated Agera to acquire the ownership of the Glacial assets to be transferred pursuant to the Sale Order and to effectively assume Glacial's retail electric and gas businesses. Agera's purchase of the Glacial assets was financed by a third party. These assets include the retail customer agreements held by Glacial Energy New England and Glacial Natural Gas, which agreements will be assigned to Agera upon the procurement of all applicable approvals and consents.

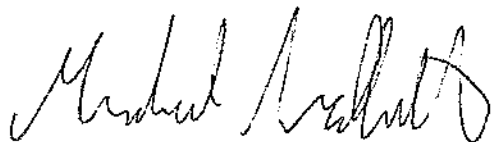

Since the execution of the Sale Order, Glacial and Platinum consummated an “economic closing” on June 18, 2014. Consistent with the Sale Order, and after such economic closing, Glacial Energy New England and Glacial Energy Natural Gas will continue to operate the retail electric and gas businesses, respectively, and interface with the New Hampshire Public Utilities Commission until the asset transfer closing occurs (i.e., the date that Agera is permitted to assume the right, title and interest of Glacial Energy New England and Glacial Natural Gas, including their respective retail customer agreements). As a condition to the asset transfer closing, Agera is required to secure all necessary regulatory approvals and consents to operate as a retail electric and gas supplier in New Hampshire. As part of that approval procurement process, Agera has filed the Application.

In addition to the filing of the Application, Agera has commenced the process of registration to become a market participant with NEPOOL. Additionally, Agera has filed an application with the Federal Energy Regulatory Commission (“FERC”) requesting authority to engage in wholesale power sales at negotiated, market-based rates pursuant to a tariff filed with FERC. That application, which has been filed at FERC in Docket No. ER14-2472-000, contains additional background information regarding Agera, including the upstream ownership structure of Agera. The FERC application can be accessed at:

http://elibrary.ferc.gov/idmws/file_list.asp?accession_num=20140721-5122.

We are hopeful that the above background information and the linked documents will sufficiently explain Agera’s position as the contemplated buyer of certain Glacial assets pursuant to the Sale Order. Your assistance in helping Agera obtain certification to conduct business as a CRES is much appreciated and will facilitate the ultimate consummation of the asset transfer approved in the Sale Order.

Please also find enclosed the registration fee of \$500 for a new CRES. Agera will not begin marketing as a CRES until it has received consent from the Commission. If there is any additional information or documentation that you require, please do not hesitate to contact the undersigned.

A handwritten signature in black ink, appearing to read "Michael Nordlicht". The signature is fluid and cursive, with the first name "Michael" and last name "Nordlicht" clearly distinguishable.

Agera Energy LLC ("Agera Energy") agrees to sell and provide, and Customer agrees to buy and receive, the quantity of electricity necessary to meet Customer's full requirements during the term of this Agreement as reflected in the electricity consumption data provided to Agera Energy or as directed by Customer's Local Distribution Company ("LDC"). In no event shall Agera Energy be bound by this agreement until it has received complete and accurate consumption data describing customer's consumption for at least the twelve months preceding the month in which this Agreement is executed.

2. Electricity Pricing

During the Term of this Agreement, the price for electricity supply per kWh shall be fixed at the price set forth in Exhibit A (the "Contract Price"); this quote is valid until 4:00 p.m. Eastern Prevailing Time on the date hereof. You will pay the fixed Contract Price per kilowatt-hour of electricity set forth in the previous sentence multiplied by your kilowatt-hour (kWh) usage during the applicable period. The Contract Price includes any credit costs, margin, and costs associated with meeting Renewable Portfolio Standards ("RPS") at the levels required by currently applicable law unless otherwise stated below. The Contract Price does not include Customer's LDC charges and fees, non-bypassable charges, any non-recurring fees, taxes, applicable fees and/or penalties.

- a) The electricity supply price is established in reliance on the existing regulations, laws, rates, charges, capacity and tariff based obligations, and other protocols that are in effect as of the execution date. In the event there are changes to the foregoing that cause additional costs to Agera Energy, Agera Energy shall pass through such costs to Customer.
- b) Customer must notify Agera Energy of any contemplated, known or anticipated change in circumstance that will result in a material change in Customer's monthly usage quantity at least ten business days before the first of each month.
- c) Agera Energy shall have no obligation to enroll or supply electricity to any account not identified herein. **If Customer is tax exempt, it is Customer's responsibility to provide Agera Energy with the necessary tax exemption certificate.**

3. Initial Term

Customer's service under this Agreement begins on the effective date that Customer's LDC switches Customer's service to Agera Energy and will continue for the Term set forth in Exhibit A. consumption will be used in the final bill, which will be trued up subsequent to the final meter reading. Customer is responsible for all Agera Energy electric supply charges until Customer goes to another supplier or the Utility.

4. Billing

Upon receipt of usage data from the LDC for the month in which power is being provided, Agera Energy will make available to customer via email or fax a bill for monthly usage. Customer is responsible for paying all amounts invoiced via the payment method set forth in Exhibit A. For the first month, Customer shall receive a pro-rated bill in the same manner as previously described. If, however, the meter read date is in the last ten calendar days of the month, the first bill will be sent concurrently with the bill for the subsequent month. Agera Energy and Customer agree that the monthly amount of energy will be based on actual data provided by the Utility or ISO, provided that if we do not receive actual data in a timely manner, we will make a good faith estimate using your historical usage data and other information. Once we receive actual data, we will reconcile the estimated charges and adjust them as needed in subsequent invoices. Customer shall reimburse Agera Energy for any collection fees Agera Energy incurs in collecting Customer's outstanding invoices. Agera Energy may require a security deposit of up to two months estimated usage, and Customer agrees to provide such deposit upon written request. Customer may receive a single bill for both commodity and delivery costs from Agera Energy or each of the LDC or Agera Energy may invoice separately. In the event of failure to provide for payment when due, Agera Energy shall have the right to terminate this Agreement in accordance with applicable Public Utilities Commission ("PUC") notice requirements. Customer shall be liable for all costs and expenses including reasonable attorney's fees incurred in the collection of any amounts due. Customer agrees to be charged an interest rate of 1.5% per month of the total past due amount, until such time as payment is received in full by Agera Energy, with said interest being calculated from the date of default. Agera Energy reserves the right to adjust amounts previously invoiced based upon supplemental or additional data we may receive from your Utility or the ISO.

5. Information Release Authorization

Customer authorizes Agera Energy to obtain and review information regarding the customer's credit history from credit reporting agencies and consumption history, billing determinant, and credit information from the LDC. In the event that any additional paperwork is required by the PUC and/or any particular utility, customer shall execute any such required forms. This information may be used by Agera Energy to determine whether it will commence and/or continue to provide electricity supply service to Customer and will not be disclosed to a third-party unless required by law. Customer's execution of this Agreement shall constitute authorization for the release of this information to Agera Energy. This authorization will remain in effect during the initial Term and any renewal Term of this Agreement. Customer may rescind this authorization at any time by providing written notice thereof to Agera Energy. Agera Energy reserves the right to cancel this Agreement in the event Customer rescinds the authorization.

6. Termination and Default

Market rules provide that Customer has the right to cancel a service request with Agera Energy without any exit fee or penalty of any kind until midnight of within three (3) business days of signature and receiving this agreement. Customer hereby willingly and knowingly waives that right under this Agreement and acknowledges any cancellation will be governed by the following language in this paragraph. "Default" shall mean, with respect to the Customer, the following: (i) failure to make, when due, any payment required pursuant to this Agreement if such failure is not remedied within five (5) Business Days after written notice or (ii) termination of the Agreement prior to its End Date unless otherwise expressly agreed to in the Agreement. In the event of such Default, Agera Energy shall have the right to suspend its performance hereunder. Agera Energy shall calculate its damages for any Default to include the total losses and costs associated with such default, any loss of bargain, loss or costs incurred as a result of its obtaining, terminating, establishing or reestablishing any contract, hedge or other agreement in connection with such transactions or the replacement of such transactions.

7. Credit Requirement

Agera Energy reserves the right to conduct a credit review of Customer prior to offering service and to refuse service to anyone who does not meet the Company's credit standards. Customer agrees to provide Agera Energy with any reasonable information requested in order to complete the credit review. In the event that Agera Energy determines at any time during the term of this Agreement that Customer's credit is unsatisfactory or that Customer has experienced an adverse change in its financial condition Agera Energy may require Customer to provide security or a credit facility acceptable to Agera Energy. If Customer fails to comply with said requirement within two business days following Agera Energy's written request, Agera Energy may immediately terminate this Agreement by providing written notice to Customer. Such termination will be subject to early termination fees as described in paragraph 6 above.

8. Force Majeure/Excuse

Agera Energy will endeavor in a commercially reasonable manner to provide service, but does not guarantee a continuous supply of electrical energy. The term "Force Majeure" shall mean any cause not reasonably within the control of the Party claiming suspension and which by the exercise of due diligence, such Party is unable to prevent or overcome, including but not limited to, any act or cause which is deemed a Force Majeure by the LDC or any transmitting entity, acts of God, extraordinary weather occurrence, war, civil disturbance or other national emergency, acts of any governmental authority, including the PUC or the ISO, accidents, strikes, labor trouble, required maintenance work, inability to access the LDC system, nonperformance of the LDC (including facilities or distribution line outages), delay of deregulation or changes in laws, rules, regulations, practices or procedures of any governmental

authority or the ISO, or any cause beyond Agera Energy's control including insolvency and bankruptcy of generator or wholesaler. If either party is unable, wholly or in part, by Force Majeure to perform or comply with any obligations or conditions of this Agreement, they shall give immediate notice to the maximum extent practicable in writing and provide particulars to the other party. Such obligations or conditions, so far as they are affected by such Force Majeure, shall be suspended during the continuance of any inability so caused, and such party shall be relieved of liability and shall suffer no prejudice for failure to perform the same during the period. The party claiming suspension of obligations must in good faith attempt to mitigate and/or terminate the Force Majeure.

9. Limitations of Liability

THE PARTIES UNDERSTAND AND ACKNOWLEDGE, HOWEVER, THAT NEITHER PARTY CONTROLS NOR PHYSICALLY TAKES POSSESSION OF THE ELECTRIC ENERGY PRIOR TO DELIVERY TO THE CUSTOMER. THEREFORE, NEITHER PARTY WILL BE RESPONSIBLE TO THE OTHER FOR ANY DAMAGES ASSOCIATED WITH FAILING TO DELIVER THE ELECTRIC ENERGY NOR FOR ANY DAMAGES IT MAY CAUSE PRIOR TO DELIVERY TO CUSTOMER. THE ELECTRIC ENERGY WILL BE DELIVERED TO CUSTOMER WHERE IT WILL BE DEEMED IN CUSTOMER'S POSSESSION AND CONTROL. Key Terms: Variable Rate Estimated Annual kWh _____	Term: Month-to-Month Payment Type: See Exhibit A	Agera Representative: _____ Agera Energy Contract ID: _____
---	---	--

1. Agreement to Sell and Purchase: Agera Energy LLC ("Agera Energy") agrees to sell and provide, and Customer agrees to buy and receive, the quantity of electricity necessary to meet Customer's full requirements during the term of this Agreement as reflected in the electricity consumption data provided to Agera Energy or as directed by the Local Distribution Company ("LDC"). In no event shall Agera Energy be bound by this agreement until it has received complete and accurate consumption data describing customer's consumption for at least the twelve months preceding the month in which this Agreement is executed.

2. Electricity Pricing: The price for electricity sold during the Term of this Agreement, "Price per kWh", is based upon all electricity charges imposed by the New England Independent System Operator ("ISO"), including but not limited to, ISO-based charges such as energy costs, fees for electric energy losses, congestion charges, scheduling services, ISO-imposed administrative fees, "uplifted" imbalance charges, capacity and ancillary services, hedging costs if applicable, and state Renewable Portfolio Standards compliance costs, plus a retail adder. The total energy price paid by Customer for each day is the price described in the previous sentence, multiplied by Customer's usage (in kWh) during that day, as determined by the applicable utility's load profiles, or (if applicable) by IDR meter data. The price does not include Customer's LDC charges and fees, non-bypassable charges, any non-recurring fees, transition charges, taxes or applicable fees and/or penalties. If Customer is tax exempt, it is Customer's responsibility to provide Agera Energy with the necessary tax exemption certificate.

3. Term: Customer's service under this Agreement begins on the date that Customer's LDC switches Customer's service to Agera Energy and will continue on a month to month basis thereafter. Either party may cancel this Agreement by providing no less than 30 calendar days' written notice to the other party. It may take up to sixty (60) days for LDC to switch Customer upon expiration of contract term. Customer is responsible for all Agera Energy supply charges until Customer goes to another ESCO or the Utility. A final bill will be rendered within twenty (20) days after the final scheduled meter reading or, if access is unavailable, an estimate of consumption will be used in the final bill, which will be true-up subsequent to the final meter reading.

4. Billing: Upon receipt of usage data from the LDC for the month in which power is being provided, Agera Energy will make available to customer via email or fax a bill for monthly usage. Customer will remit payment for all invoices via the payment method identified in Exhibit A. For the first month, Customer shall receive a pro-rated bill in the same manner as previously described. If, however, the meter read date is in the last ten calendar days of the month, the first bill will be sent concurrently with the bill for the subsequent month. Agera Energy and Customer agree that the monthly amount of energy will be based on actual data provided by the Utility or ISO, provided that if we do not receive actual data in a timely manner, we will make a good faith estimate using your historical usage data and other information. Once we receive actual data, we will reconcile the estimated charges and adjust them as needed in subsequent invoices. Customer shall reimburse Agera Energy for any collection fees Agera Energy incurs in collecting Customer's outstanding invoices. Agera Energy may require a security deposit of up to two months estimated usage, and Customer agrees to provide such deposit upon written request. Customer may receive a single bill for both commodity and delivery costs from Agera Energy or each of the LDC or Agera Energy may invoice separately. In the event of failure to provide for payment when due, Agera Energy shall have the right to terminate this Agreement in accordance with applicable Public Utilities Commission ("PUC") notice requirements. Customer shall be liable for all costs and expenses including reasonable attorney's fees incurred in the collection of any amounts due. Customer agrees to be charged an interest rate of 1.5% per month of the total past due amount, until such time as payment is received in full by Agera Energy, with said interest being calculated from the date of default. Agera reserves the right to adjust amounts previously invoiced based upon supplemental or additional data we may receive from your Utility or the ISO.

5. Information Release Authorization: Customer authorizes Agera Energy to obtain and review information regarding the customer's credit history from credit reporting agencies and consumption history, billing determinant, and credit information from the LDC. In the event that any additional paperwork is required by the PUC and/or any particular utility, customer shall execute any such required forms. This information may be used by Agera Energy to determine whether it will commence and/or continue to provide electricity supply service to Customer and will not be disclosed to a third-party unless required by law. Customer's execution of this Agreement shall constitute authorization for the release of this information to Agera Energy. This authorization will remain in effect during the initial Term and any renewal Term of this Agreement. Customer may rescind this authorization at any time by providing written notice thereof to Agera Energy. Agera Energy reserves the right to cancel this Agreement in the event Customer rescinds the authorization.

By my signature below (facsimile signature accepted as if it were an original), Customer hereby agrees to be obligated by the terms and conditions set forth herein and to the Terms of Service Agreement, and that Customer agrees to initiate service and begin enrollment. I affirm that I am a duly authorized agent for Customer with legal authority to switch the electricity provider for Customer. This Agreement will not become binding upon Agera Energy until completion of a credit check of Customer completely satisfactory to Agera Energy.

Customer agrees to provide Agera Energy with any reasonable information requested in order to complete the credit review. In the event that Agera Energy determines at any time during the term of this Agreement that Customer's credit is unsatisfactory or that Customer has experienced an adverse change in its financial condition Agera Energy may require Customer to provide security or a credit facility acceptable to Agera Energy. If Customer fails to comply with said requirement within two business days following Agera Energy's written request, Agera Energy may immediately terminate this Agreement by providing written notice to Customer. Such termination will be subject to early termination fees as described in paragraph one as above.

3. Dispute Resolution: In the event of a billing dispute or a disagreement involving any essential element of this Agreement, the parties will use their best efforts to resolve the dispute. Customer should contact Agera Energy in writing or by telephone at 1-888-452-2425, within 5 days of receipt of disputed bill. All disputes shall be governed by, construed, enforced and performed in accordance with the laws of the State of New Hampshire.

4. Force Majeure/Excuse: Agera Energy will endeavor in a commercially reasonable manner to provide service, but does not guarantee a continuous supply of electrical energy. The term "Force Majeure" shall mean any cause not reasonably within the control of the Party claiming suspension and which by the exercise of due diligence, such Party is unable to prevent or overcome, including but not limited to, any act or cause which is deemed a Force Majeure by the LDC or any transmitting entity, acts of God, extraordinary weather occurrence, war, civil disturbance or other national emergency, acts of any governmental authority, including the New Hampshire PUC or the NEPOOL-ISO, accidents, strikes, labor trouble, required maintenance work, inability to access the LDC system, nonperformance of the LDC (including facilities or distribution line outages), delay of deregulation or changes in laws, rules, regulations, practices or procedures of any governmental authority or the NEPOOL ISO, or any cause beyond Agera Energy's control including insolvency and bankruptcy of generator or wholesaler. If either party is unable, wholly or in part, by Force Majeure to perform or comply with any obligations or conditions of this Agreement, they shall give immediate notice to the maximum extent practicable in writing and provide particulars to the other party. Such obligations or conditions, so far as they are affected by such Force Majeure, shall be suspended during the continuance of any inability so caused, and such party shall be relieved of liability and shall suffer no prejudice for failure to perform the same during the period. The party claiming suspension of obligations must in good faith attempt to mitigate and/or terminate the Force Majeure.

5. Limitations of Liability: AGERA ENERGY WILL PROVIDE ELECTRIC ENERGY TO CUSTOMER THROUGHOUT THE TERM OF THIS AGREEMENT. THE PARTIES UNDERSTAND AND ACKNOWLEDGE, HOWEVER, THAT NEITHER PARTY CONTROLS NOR PHYSICALLY TAKES POSSESSION OF THE ELECTRIC ENERGY PRIOR TO DELIVERY TO THE CUSTOMER. THEREFORE, NEITHER PARTY WILL BE RESPONSIBLE TO THE OTHER FOR ANY DAMAGES ASSOCIATED WITH FAILING TO DELIVER THE ELECTRIC ENERGY NOR FOR ANY DAMAGES IT MAY CAUSE PRIOR TO DELIVERY TO CUSTOMER. THE ELECTRIC ENERGY WILL BE DELIVERED TO CUSTOMER WHERE IT WILL BE DEEMED IN CUSTOMER'S POSSESSION AND CONTROL. AFTER THE ELECTRIC ENERGY IS DELIVERED TO CUSTOMER, CUSTOMER AGREES TO DEFEND, INDEMNIFY AND HOLD HARMLESS AGERA ENERGY, ITS PARENT COMPANY AND AFFILIATES, AND ALL OF THEIR RESPECTIVE OFFICERS, DIRECTORS, SHAREHOLDERS, ASSOCIATES, EMPLOYEES, SUCCESSORS AND ASSIGNS, FROM AND AGAINST ALL CLAIMS, LOSSES, EXPENSES, DAMAGES, DEMANDS, JUDGMENTS, CAUSES OF ACTION OR SUITS OF ANY KIND, INCLUDING BUT NOT LIMITED TO, CLAIMS FOR PERSONAL INJURY, DEATH, OR PROPERTY DAMAGE, ARISING OUT OF OR RELATING TO THE ELECTRIC ENERGY SOLD UNDER THIS AGREEMENT. FOR BREACH OF ANY PROVISION FOR WHICH AN EXPRESS REMEDY IS PROVIDED, SUCH EXPRESS REMEDY WILL BE THE SOLE AND EXCLUSIVE REMEDY, THE OBLIGOR'S LIABILITY WILL BE LIMITED AS SET FORTH IN SUCH PROVISION AND ALL OTHER REMEDIES OR DAMAGES AT LAW OR IN EQUITY WILL NOT APPLY. IF NO EXPRESS REMEDY IS PROVIDED, AGERA ENERGY'S LIABILITY WILL BE LIMITED TO DIRECT ACTUAL DAMAGES ONLY (WHICH WILL NOT TO EXCEED THE AMOUNT OF CUSTOMER'S SINGLE LARGEST MONTHLY INVOICE AMOUNT IN THE PAST 12 MONTHS). SUCH DIRECT ACTUAL DAMAGES WILL BE THE SOLE AND EXCLUSIVE REMEDY AND ALL OTHER REMEDIES AT LAW OR IN EQUITY ARE WAIVED. AGERA ENERGY WILL NOT BE LIABLE FOR CONSEQUENTIAL, INCIDENTAL, PUNITIVE, EXEMPLARY OR INDIRECT DAMAGES, LOST PROFITS OR OTHER BUSINESS INTERRUPTION DAMAGES, BY STATUTE, IN TORT OR CONTRACT, UNDER ANY INDEMNITY PROVISION OR OTHERWISE. THE PARTIES INTEND THAT THE LIMITATIONS HEREIN IMPOSED ON REMEDIES AND THE MEASURE OF DAMAGES BE WITHOUT REGARD TO THE CAUSES RELATED THERETO INCLUDING THE NEGLIGENCE OF ANY PARTY, WHETHER SUCH NEGLIGENCE BE SOLE, JOINT OR CONCURRENT, OR ACTIVE OR PASSIVE. TO THE EXTENT ANY DAMAGES REQUIRED TO BE PAID HEREUNDER ARE LIQUIDATED, THE PARTIES ACKNOWLEDGE THAT THE DAMAGES ARE DIFFICULT OR IMPOSSIBLE TO DETERMINE, OBTAINING AN ADEQUATE REMEDY IS INCONVENIENT AND THE LIQUIDATED DAMAGES CONSTITUTE A REASONABLE APPROXIMATION OF THE HARM OR LOSS.

6. UCC/Disclaimer of Warranties: Customer and Agera Energy acknowledge and agree that the electricity delivered hereunder is a "good" as that term is understood under the Uniform Commercial Code ("UCC"). The Parties further agree that the rules promulgated therein, to the extent that they can be, are waived and they do not apply to this Agreement, except as provided for herein. If there is any conflict between the UCC and this Agreement, this Agreement will control. Further, Customer agrees and acknowledges that Agera Energy EXPRESSLY NEGATES AND DISCLAIMS ALL REPRESENTATION OF WARRANTY, WRITTEN OR ORAL, EXPRESS OR IMPLIED, INCLUDING ANY REPRESENTATION OF WARRANTY WITH RESPECT TO CONFORMITY, TO MODELS OR SAMPLES, MERCHANTABILITY, OR FITNESS FOR A PARTICULAR PURPOSE.

7. Assignment: Customer may not assign this Agreement, in whole or in part, or any of its rights or obligations hereunder without the prior written consent of Agera Energy. Such consent shall not be unreasonably withheld if new customer has a credit rating equal to or better than the existing customer's. Agera Energy may, without Customer's consent; (a) transfer, sell, pledge, encumber or assign this Agreement or the accounts, revenues or proceeds hereof in connection with any financing or other financial Agreement; and (b) transfer or assign this Agreement to another Energy Services Company, or another entity as authorized by the New Hampshire PUC. Upon any such assignment, Customer agrees that Agera Energy shall have no further obligations hereunder.

8. Governing Law and Regulations: This Agreement shall be governed by, construed, enforced and performed in accordance with the laws of the State of New Hampshire. In the event a regulatory or judicial ruling or decision shall have a detrimental economic impact upon Agera Energy's performance under this Agreement, or in the event that compliance with such change shall result in a material change in the method by which prices are calculated under this Agreement, or a material change in the level of components of pricing under this Agreement, then Agera Energy shall have the right to notify Customer within 30 calendar days of becoming aware of such ruling or decision in order to negotiate a modification to the terms of this Agreement so as to mitigate the impact of such ruling or decision. If, after 20 calendar days beyond the date of the notice, the parties have been unable to negotiate a mutually satisfactory modification of the terms of this Agreement, Agera Energy shall have the right to terminate this Agreement upon 15 calendar days prior written notice to the Customer. If such right to terminate is not exercised within 45 calendar days after the original notice hereunder, Agera Energy's right to terminate shall be deemed waived with respect to the particular decision or rule. This Agreement is subject to present and future legislation, orders, rules, regulations or decisions of a duly constituted governmental authority having jurisdiction over this Agreement or the services to be provided hereunder.

9. Miscellaneous: (a) A waiver of any provision in this Agreement, or of any default by either Party, will not be construed as a waiver of any other (or like) provision or default in the future. Agera Energy LLC
Residential Customer Electricity Agreement – New Hampshire
Terms and Conditions

1. Agreement. Agera Energy LLC (“Agera Energy”) agrees to sell and provide, and you, Customer, agree to buy and receive, the quantity of electricity necessary to meet your full requirements during the term of this Agreement as reflected in the electricity consumption data provided to Agera Energy or as directed by your Local Distribution Utility (“LDU”), subject to the eligibility requirements of your local LDU and acceptance by Agera Energy. You represent that you are at least 18 years old and fully authorized to enter into this Agreement.

2. Services. Agera Energy will supply electricity for your home. Agera Energy is a competitive retail electric supplier and is not your LDU. This Agreement, the Disclosure Statement, the Enrollment Form or Welcome Letter, and any Renewal Notice (if applicable) reflect your entire Agreement (the “Agreement”) with Agera Energy and supercede any oral or written statements made in connection with this Agreement or your electricity supply. Any changes to this Agreement must be made in writing and signed by both parties. Your LDU will continue to send electricity to your home, read your meter, make repairs, and send a bill. The LDU will also respond to emergencies and provide other traditional utility services. The electricity that you buy from Agera Energy will be billed by the LDU along with the LDU’s charges for transmission and delivery. You acknowledge that you are not required to switch your electricity to Agera Energy, and that you have a right to change to another Competitive Electric Power Supplier (“CEPS”), subject to the terms and conditions set forth herein.

3. Term. Agera Energy will begin supplying your electricity on the effective date that the LDU switches your account to Agera Energy. The Agreement will continue for the Term specified on your Enrollment Form or Welcome Letter, unless the Agreement is renewed.

4. Price. Each month you will pay your bill for electricity, which will be calculated by multiplying: the applicable rate of electricity per kilowatt hour (kWh), which shall be calculated as set forth in the Disclosure Statement (the “Contract Price”), by the amount of electricity used during the billing cycle, plus any other fees that apply to your rate plan, applicable taxes, fees, and charges levied by your LDU for distribution and other services. If a Fixed Rate, the Contract Price includes any credit costs, margin, or costs associated with meeting Renewable Portfolio Standards (“RPS”) at the levels required by currently applicable law unless otherwise stated below. The Contract Price does not include other costs, including but not limited to, the price of transmission and distribution, the system benefits charge, stranded cost recovery charge, and taxes. The Contract Price may be higher or lower than the LDU’s rate in any given month. Cancellation fees may apply if you terminate this Agreement prior to the end of your Term.

Fixed Term Options

- **Fixed Rate.** If you selected a fixed rate plan, the Contract Price per kWh for electricity is indicated on your Enrollment Form or Welcome Letter and guaranteed not to change for the initial Term (“Fixed Price Plan”).
- **Cap Rate.** If you selected a Cap Rate Plan, your electricity rate will be established each month based upon such factors as the cost for energy at the Independent System Operator New England (“ISO”), including but not limited to energy, line losses, congestion charges, scheduling services, utility/ISO imposed administrative fees, “uplifted” imbalance charges, capacity and transmission charges, ancillary

services, renewable energy certificates, hedging costs, and a retail adder. For your electricity usage during the cap period months as identified on your Enrollment Form, Welcome Letter, or Renewal Notice, as applicable (the "Cap Period"), your rate shall be capped at the Cap Rate also set forth therein (the "Cap Rate"). Your electricity rate shall not exceed the Cap Rate during the Cap Period. There is no cap on your electricity rate other than during the Cap Period.

Variable Rate Plan Options

- **Variable Rate.** If you selected a Variable Rate, your rate will be established each month based upon such factors as the cost for energy at the ISO, including but not limited to energy, line losses, congestion charges, scheduling services, utility/ISO imposed administrative fees, "uplifted" imbalance charges, capacity and transmission charges, ancillary services, renewable energy certificates, hedging costs, and a retail adder (the "Variable Rate"). This is not a fixed term product. At any time, you may give 30 days' written notice to Agera Energy that you wish to cancel your Variable Rate service.
- **Variable Rate with Introductory Period.** If you selected a Variable Rate with an Introductory Period, your rate will be established each month based upon such factors as the cost for energy at the ISO, including but not limited to energy, line losses, congestion charges, scheduling services, utility/ISO imposed administrative fees, "uplifted" imbalance charges, capacity and transmission charges, ancillary services, renewable energy certificates, hedging costs, and either a fixed or variable retail adder. For your electricity usage during the introductory period identified on your Enrollment Form or Welcome Letter (the "Introductory Period"), your rate shall be set at the rate also set forth on your Enrollment Form or Welcome Letter (the "Introductory Rate"). This is not a fixed term product. At any time, you may give 30 days' written notice to Agera Energy that you wish to cancel your service under a Variable Rate with Introductory Period product.

5. Renewal Notice; Notification of Changes. At the end of your Term, your Agreement will automatically renew under either a new Fixed Term Plan (if offered) or at Agera Energy's monthly variable rate, until you notify Agera Energy that you wish to terminate. No later than 30 days prior to the end of the Term, Agera Energy will send you a notice of any change to the existing terms and conditions that will apply for your renewal. In the event you renew under Agera Energy's monthly variable rate, you may cancel at any time without paying a cancellation fee after completing the Term of your initial Agreement. Agera Energy will also send you written notice at least 30 days prior to making any material changes to this Agreement.

6. Rescission and Termination. You have the right to rescind a service request with Agera Energy without any exit fee or penalty of any kind for five (5) business days following the postmark date of this document, by calling Agera Energy at 1-844-692-4372 or by sending an email to: customercare@ageraenergy.com.

- **Early Termination Fee.** Fixed Rate and Cap Rate Customers who wish to terminate this Agreement after the five-day rescission period referenced above will be required to pay an early termination fee of \$100. The early termination fee is not a penalty, but is designed to compensate Agera Energy for the cost of buying electricity in advance on your behalf.
- **Timing of Termination.** It will take a reasonable amount of time for your LDU to process your service termination with Agera Energy. During that time, you agree to pay for the electricity you consume that is supplied by Agera Energy.
- **Change of Residence.** You may terminate this Agreement without penalty if you relocate outside Agera Energy's service area or into an area where Agera Energy charges a different price.
