Re: Request by Freedom Ring Communications LLC d/b/a BayRing Communications for license to construct and maintain fiber optic telecommunications cable across navigable waters in the State of New Hampshire.

Affidavit of Stephen Bond

1. My name is Stephen Bond. I am Director of Operations of Freedom Ring Communications d/b/a BayRing Communications, with corporate offices at 359 Corporate Drive, Portsmouth NH 03801.
2. I am responsible for network design, construction and maintenance for BayRing Communications and I am authorized to provide this Affidavit on behalf of BayRing Communications.
3. I am familiar with the design of the fiber optic telecommunications cable BayRing proposes to construct between existing poles over Brown's River in Hampton NH. The cable will run between Unitil pole number #502 located at latitude 42.922537 and longitude -70.823455 to Unitil pole number #503 located at latitude 42.921827 and longitude -70.822893, over the river at a height of at least 35 feet.
4. The crossing shall be completed in compliance with National Electrical Safety Code, and with pole attachment license issued by the pole owner(s).
5. All statements made and matters set forth herein are true and correct to the best of my knowledge and belief after due and diligent inquiry.

Further the affiant sayeth not.
