To whom it may concern:

My name is Edward Tedesco and I have owned property on Trails End in Center Ossipee, NH since 2001. My property is part of the Lakes Region Water Company customer area and affected by petition DW 15-209 order #25809. I am respectfully objecting to the request for the recent rate increase. I have seen my water bill continually rise especially since Lakes Region Water Company took over for Indian Mound Water Company. I am a seasonal resident with my family occupying the residence in July and August approximately 60% of the time during these two summer months. The residence is unoccupied the rest of the year with the exception of several weekends. Thank you for the opportunity to express my opposition.

Respectfully,  
Edward Tedesco
