**Instructions for****Form SRA – Addendum to Business Organization and Registration Forms****Statement of Compliance with New Hampshire Securities Laws**

This form is required for all businesses being formed or registering in the state of New Hampshire. New Hampshire law requires that before your application for business registration is accepted, you must provide a statement that your business has complied with the state's securities law. A security is an ownership interest in a business. For example, a share of stock is a security and so is an interest in a limited liability company or a limited partnership. So, for example, if you and your wife own the sole interests in a limited liability company, those interests are securities. Generally, a business that issues securities in New Hampshire must either register the securities with the New Hampshire Bureau of Securities Regulation or claim a valid exemption. There are several exemptions from the requirement to register securities. The most common exemption is the exemption described in Part II, Item 1.

Please read the following instructions for each part of Form SRA. These instructions will help you to provide accurate responses.

**Part I:** Please provide the complete business name and address, including number, street, city, state and zip code. The name of the business must exactly match the name that is on the business formation or registration document being submitted with the Form SRA. In addition, please provide the business's telephone number, e-mail address (if any), a contact person's name and the contact person's full address if different from the business address.

**Part II:** One item in Part II must be checked. Check only **ONE** item in this part.

1. Your business is qualified for the exemption from registration in Item 1 if it meets ALL of the requirements listed in A), B), and C) below:
  - A) The business has 10 or fewer owners. So, for example, if you and your wife are forming a limited liability company and there are no other owners, you meet this requirement for an exemption; AND
  - B) Advertising relating to the sale of ownership interests in your business has not been circulated. Please note that this requirement asks whether you have circulated advertising *related to the offer or sale of ownership interests*. This requirement does not address advertising related to the sale of your products or services. So, for example, if you advertise that you are selling shares of stock in your corporation, then you do not meet this requirement and cannot claim the exemption; AND
  - C) Sales of ownership interests – if any – will be completed within 60 days of the formation of the business. If you do not intend to sell any further ownership interests in your business, then you meet this requirement for an exemption. If you intend to sell more ownership interests in your business and will complete all sales within 60 days, then you meet this requirement. However, if the sale of any ownership interests will occur after 60 days of the formation of the business, you do not meet this requirement and cannot claim the exemption.

If you meet all of these requirements, you may then check off Item 1 and claim this exemption.

2. If you can claim a different registration exemption from the one listed in Item 1 or if you are offering federal covered securities that only require a notice filing in New Hampshire, you should check Item 2.

In addition, you must cite the statute for the exemption which you are claiming or for the type of notice filing you are making

3. If a New Hampshire business or a business formed in a state other than New Hampshire intends to offer ownership interests for sale and is not subject to any exemption from registration, the securities must be registered with the Bureau of Securities Regulation. If this is the case, you should check Item 3. In addition, you should provide us with the date that you registered the securities or that you intend to register the securities.
4. If your business was formed in a state other than New Hampshire and you will not offer or sell ownership interests in New Hampshire, you should check Item 4. Your securities do not need to be registered nor do you need to seek an exemption from registration.

**Part III:** One item in Part III must be checked. Check only ONE item in this part.

1. If your business was not formed in New Hampshire, then you should check this item.

If your business was formed in New Hampshire, then you should check this item.

**Part IV:** This is a statement certifying the accuracy of all the information contained in the Form SRA.

Part IV must be signed. If filing electronically, you must check the applicable checkbox and all signatures must be entered electronically or applied manually, scanned, and uploaded. If filing in person or mailing, DO NOT check the checkbox and all signatures must be original. Please note that, if you are filing in person or mailing, we cannot accept photocopied signatures for this filing. Also, please make note of all individuals who must sign this document:

1. ALL of the incorporators of a corporation to be formed; OR
2. ONE executive officer of an existing corporation; OR
3. ALL of the general partners or intended general partners of a limited partnership; OR
4. ONE or MORE authorized members or managers of a limited liability company; OR
