Re: DM 15-421, Shell Energy North America (US), L.P.  
Competitive Natural Gas Supplier Renewal Application  
Notice of Incomplete Application and Request  
for Additional Information

Dear Ms. Gold:

On September 29, 2015, Shell Energy North America (US), L.P (Shell) submitted a renewal application to the Commission for registration as a Competitive Natural Gas Supplier (CNGS). Commission Staff has reviewed the application and determined it does not comply with the requirements of N.H. Code Admin. Rules Puc 3003. In particular, Staff identified the following requirements that have not been met:

Amount of financial surety: Puc.03003.03 (a)(2) requires that the financial surety be the greater of:

- a. \$100,000.00;
- b. The estimated highest month's aggregated gas usage of all customers served by the CNGS in New Hampshire multiplied by the same month's Tennessee Gas Pipeline Zone 6 monthly index, for a CNGS's first year of operation; or
- c. The actual highest month's aggregated gas usage of all customers served by the CNGS in New Hampshire multiplied by the same month's Tennessee Gas Pipeline Zone 6 monthly index, for any year after the CNGS's first year of operation;

Staff informed Shell about this deficiency by e-mail communication and took steps to resolve it. In order to complete the review process, you should respond accordingly to the item listed above. When responding, please address your letter to Debra A. Howland, Executive Director, and reference the docket number listed on the subject line of this letter.

Pursuant to Puc 3003.01(g), please provide all information requested within 60 days of the date of this letter, on or before **January 25, 2016**. Puc 3003.04 (g) is copied below.

*Puc 3003.01(g) If the commission has requested information or clarification to complete an application for registration, and such information or clarification is not provided within 60 days of the request, the commission shall suspend the application. If, after 120 days of the date of the request, the applicant has not provided the requested information or clarification, the commission shall reject the application. If an application is rejected, the application fee shall be forfeited and the applicant shall be required to submit a new application and fee prior to acting as a CNGS in New Hampshire.*

Sincerely,

Al-Azad Iqbal  
Utility Analyst  
Gas & Water Division
