Re: DM 15-479, Viridian Energy, LLC
Application to Register as Competitive Electric Power Supplier
Extension of Application Review Period

Dear Ms. Cammarano:

On March 9, 2016, Viridian Energy, LLC (Viridian) requested a waiver of Puc 2003.04(h) and an extension to April 30, 2016 of the review period for its application to register as a competitive electric power supplier (CEPS), which currently expires on March 11, 2016. In its request, Viridian stated that it is awaiting electronic data interchange (EDI) testing start dates from Public Service Company of New Hampshire d/b/a Eversource Energy (Eversource).

Commission Staff filed a memorandum on March 9, 2016, recommending the Commission approve the request for rule waiver and review period extension.

The Commission has reviewed Viridian's request and Staff's recommendation and has granted the request for waiver of Puc 2003.04(h) and for an extension of time, until April 30, 2016, for the review period of Viridian's application to register as a CEPS. Accordingly, Viridian's application review period is extended through April 30, 2016.

Sincerely,

A handwritten signature in black ink, appearing to read "Debra A. Howland".

Debra A. Howland
Executive Director
