**Re: Docket No. DE 16-576; Electric Distribution Utilities
Development of New Alternative Net Metering Tariffs
Corrected Compliance Tariff Filing**

Dear Ms. Howland:

Order No. 25,972 (Dec. 21, 2016) approved an "Interim Alternative Net Metering Tariff" and directed the utilities to file "revised tariff pages confirming to this order." By letter dated January 19, 2017, Liberty Utilities (Granite State Electric) Corp., d/b/a Liberty Utilities, filed First Revised Page 10 and Original Page 10A of the Company's tariff in compliance with Order No. 25,972.

Enclosed please find an original and two copies of a corrected First Revised Page 10 and Original Page 10A of the Company's tariff, in both redlined and clean versions. The redlined version shows both the original change to the tariff filed on January 19, 2017, and the corrections made in this filing. The corrections were minor language changes based on input received from the Commission's Staff.

Thank you.

Sincerely,

Michael J. Sheehan
