ELECTRIC DISTRIBUTION UTILITIES

Development of New Alternative Net Metering Tariffs and/or Other Regulatory
Mechanisms and Tariffs for Customer-Generators

PETITION TO INTERVENE

June 7, 2016

Representative Michael Vose respectfully submits this Petition for Intervention in docket DE 16-576 Electric Distribution Utilities Development of New Alternative Net Metering and/or Other Regulatory Mechanisms and Tariffs for Customer-Generators. In support of this petition Rep. Vose states:

1. I am a customer and ratepayer of the New Hampshire Electric Coop and have a vested interest in electricity prices and how they are set.
2. I have been an active participant in legislative and regulatory hearings related to electricity and telecommunications issues in New Hampshire.
3. As a member of the House Science, Technology, and Energy Committee, I was active in the HB 1116 legislative process, passage of which resulted in the current docket.
4. My participation in this docket is in the interest of justice and would not disrupt the orderly and prompt conduct of this proceeding. If granted intervention status, Rep. Vose will abide by the Commission's rules and procedural schedule developed in this docket and make every effort to work collaboratively with the Staff and other parties.

Therefore, Rep. Michael Vose respectfully requests that he be granted full intervener status for this proceeding.

Respectfully submitted,

Rep. Michael Vose
