RE: DM 16-686 Waiver of Rules - Aggregator Renewal Registration Application for Atlas Commodities, LLC

Dear Ms. Howland,

Atlas Commodities, LLC (PUC Docket Number DM 16-686) is filing for waiver of rules per PUC 201.05. Atlas was late filing for the renewal of the natural gas aggregator license which was due on May 7, 2016, but sent on June 20, 2016.

Atlas' previous regulatory contact, Ngoc Tran, was no longer with the company and the transition to our new contact delayed this filing. Steps have been taken to ensure this mistake will not occur again not only with establishing our new contact, but also through redundancies within the company ensuring no lapse in the role going forward. We apologize for the delay.

Since establishing licensing in NH, Atlas has successfully served many clients in the region bringing great value through our various services. We wish to continue serving the great state of NH and bring this value to current and new clients. Please accept this waiver of rules to maintain our natural gas aggregator license renewal.

If you have any questions, please feel free to contact me. Thank you.

Sincerely,

*Michael Wirkus*
