**Re: Docket No. DG 16-855, Northern Utilities, Inc.
Special Contract—Report on Energy Audit**

Dear Chairman Goldner:

As required by Order No. 26,526, issued September 23, 2021, in the above-captioned proceeding, please find a Report on Energy Audit prepared by Foss Performance Materials LLC ("Foss"). Among other things, Foss addresses the results of the energy audit prepared by Waldron Engineering & Construction, Inc. and explains the extent to which it implemented any recommendations.

Consistent with the Secretarial Letter dated March 17, 2020, suspending the requirement to file paper copies, the Report is filed electronically only. Copies have also been provided to the Office of Consumer Advocate and the service list electronically.

Very truly yours,
