**Re: Docket Number DE 17-124, Public Service Company of New Hampshire d/b/a Eversource
Energy - Sale of Generating Facilities**

Dear Ms. Howland:

The Office of Consumer Advocate ("OCA") filed a request on October 24, 2017 with the New Hampshire Public Utilities Commission (the "Commission") pursuant to RSA 363:28, VI, seeking unredacted versions of the Confidential attachments to the Auction Report prepared by J.P. Morgan. Specifically OCA requested the unredacted names of the bidders contained in the Confidential Indicative Bids Summary and the Confidential Final Bids Summary (together the "Confidential Unredacted Bid Summaries"). J.P. Morgan and the OCA have agreed on terms by which the information would be provided to the Consumer Advocate pursuant to a non-disclosure agreement so that OCA can review the materials on behalf of residential ratepayers. Although, the Confidential Unredacted Bid Summaries were not previously filed with the Commission or any of the parties in this docket, J.P. Morgan has provided hard copies of the Confidential Unredacted Bid Summaries that were made available today for the Consumer Advocate to review in the Confidential data room set up at the Commission for this docket.

Please do not hesitate to contact me if you have any questions.

Very truly yours,

WEST GROUP LAW PLLC
