NO Anne, this was not sent previously to me! While I have been out of office on vacation until yesterday, I have double checked my emails and do not see that I received one from Adele on the 3rd or any other time. Accordingly, I was unaware that the deadline for Interventions had been set; and given that it appears to have been yesterday, I will get a Petition for Intervention for my clients including a Motion for Late Filing outlining these facts to the PUC asap today. Thank you for giving me this copy now.

I believe this notice was sent to the service list in 16-817, but wanted to make sure you were aware of the upcoming prehearing conference.
