**Re: DG 17-135 Liberty Utilities (EnergyNorth Natural Gas) Corp. d/b/a Liberty Utilities
2017-2018 Cost of Gas**

Dear Director Howland:

On behalf of Liberty Utilities (EnergyNorth Natural Gas) Corp. d/b/a Liberty Utilities, enclosed for filing are one original and six copies each of the following exhibits as discussed at the October 13, 2017, hearing in this matter:

- Exhibit 9, the Company's supplemental response to Staff Tech 1-5;
- Exhibit 10, the Company's updated bill impact schedules to include an adjustment to the FPO rate based on the updated COG calculation. (The first five pages are the winter tariff pages and reflect changes to Bates 045 – 049 in the original filing; the last four pages are the summer tariff pages and reflect changes to Bates 191-194 in the original filing.)

As the Commission considers whether to order an adjustment to the FPO price given the changes in the COG rate since the original filing in this docket, note that in some prior cases the Commission has not adjusted the FPO rate, whether the COG rate increased or decreased. Order No. 25,032 (Oct. 29, 2009) ("As this price was that offered to FPO customers, and is the price upon which their enrollment contracts were based, it did not change when the Company submitted its updated COG filing"); Order No. 25,281 (Oct. 28, 2011) (approving FPO price as filed and lower COG rate as amended); Order 24,799 (Oct. 31, 2007).

Thank you.

Sincerely,
