Dear Ms. Howland:

Paul Kasper, Assistant Director of Safety and Security, has brought to our attention certain corrections needed to Appendix B of the Petition originally filed in the above matter on December 14, 2017. Enclosed is an original and six copies of a revised Appendix B-Revised 5.1.4.18, which we ask please be substituted in place of the originally filed Appendix B.

Please accept our apology for any delay or confusion this may have caused.

Very truly yours,
