Dear Alejandro:

You have requested that the New England Power Pool ("NEPOOL"), a voluntary association of entities that participate in the wholesale electric markets in the six New England states, indicate to you whether Energy Rewards, LLC (formerly known as Fairpoint Energy, LLC, and before that as Viridian Energy MD LLC, "Energy Rewards") is a member "in good standing in NEPOOL." This letter is in response to that request.

As of the date of this letter, Energy Rewards is a NEPOOL member entitled to full rights and subject to full obligations of members as set forth in the Second Restated NEPOOL Agreement, which is NEPOOL's governing document. Energy Rewards, then known as Viridian Energy MD LLC, was accepted for membership in NEPOOL effective as of March 1, 2012 pursuant to an order of the Federal Energy Regulatory Commission ("FERC") issued April 17, 2012 in Docket No. ER12-1184, subject to the conditions and waivers agreed to between NEPOOL and Viridian Energy MD LLC as filed with the FERC in that Docket.

Energy Rewards is also a Market Participant under the ISO New England Inc. ("ISO-NE") Transmission, Markets and Services Tariff ("Tariff") pursuant to a Market Participant Service Agreement by and between Energy Rewards and ISO-NE.¹ Energy Rewards is not in default of its obligations under the NEPOOL Agreement or the Tariff, which could otherwise result in a suspension or termination of Energy Rewards' status as a NEPOOL Participant and Market Participant. Energy Rewards has not requested termination of, nor has NEPOOL received an application or has a request pending for, the termination of Energy Rewards' status as a NEPOOL Participant or as a Market Participant under the Tariff.

Respectfully,

¹ The MPSA with Energy Rewards is reported by ISO-NE as MPSA No. 501.

10. <u>DISPUTE</u> <u>RESOLUTION</u> <u>AND</u> <u>MANDATORY AGREEMENT TO ARBITRATE</u> <u>ON AN INDIVIDUAL BASIS</u>. If you have billing questions or would like to make an inquiry about the Company's terms of service, you may contact the Company as indicated in Section 14. We will attempt to resolve the matter within five (5) business days. If your complaint is not resolved after you have called the Company and/or the Utility, or for general utility information, you may contact the Commission's Consumer Services Division at 1-800-852-3793.

Regardless of whether you choose to pursue your dispute with the Commission's Consumer Services Division, your right to pursue individual arbitration with the Company will not be impacted under this Agreement as set forth below.

You and the Company both agree to resolve Disputes (as defined below) only by arbitration or in small claims court (for qualifying claims), subject to specific exceptions listed herein. The parties expressly agree that they are waiving their right to sue in court and that arbitration is the parties' sole remedy to resolve disputes. There is no judge or jury in arbitration, the procedures may be different, and is subject to very limited review by a court. An arbitrator, however, can award you the same damages and relief, and must honor the same terms in this Agreement, as a court would. If the law allows for an award of attorneys'

fees, an arbitrator can award them too. In addition, you and the Company also both agree that:

- (a) "Disputes" are any claims or controversies against each other related in any way to, or arising from the Company's Services, this Agreement, or any related agreements, including but not limited to, billing, services and practices, policies, contract practices (including enforceability), service claims, privacy, or advertising, even if it arises after your Services with the Company have terminated. Disputes include any claims that: (i) you bring against the Company or any of its employees, agents, affiliates, or other representatives; or (ii) that the Company brings against you. It also includes, but is not limited to, claims related in any way to, or arising from any aspect of the relationship between you and the Company, whether based in contract, tort, statute, fraud, misrepresentation, or any other legal theory.
- (b) Except as otherwise provided under Section 10(f) below, the Federal Arbitration Act, 9 U.S.C. § 1 et seq. (the "FAA") applies exclusively to this agreement to arbitrate, and this agreement to arbitrate is intended to be broadly interpreted. The arbitrator's decision and award is final and binding, with some exceptions under the FAA, and judgment on the award may be entered in any court with jurisdiction.
- (c) Prior to initiating arbitration, a party must first send to the other, by certified mail, a written notice of dispute ("Dispute Notice"). The Dispute Notice to the Company should be addressed to the Notice Address listed in Section 14. The Dispute Notice must (i) describe the nature and basis of the claim or dispute; and (ii) set forth the specific relief sought ("Demand"). If the Company and you do not reach an agreement to resolve the claim within thirty (30) days after the Dispute Notice is received, you or the Company may commence an arbitration proceeding. During the arbitration, the amount of any settlement offer made by the Company or you shall not be disclosed to the arbitrator.
- (d) Unless the parties agree otherwise, the arbitration will be conducted by a single neutral arbitrator and will take place in the county (or parish) of the service address.
- (e) The arbitration will be conducted by: (i) a neutral third party arbitrator mutually agreed upon by you and the Company; or (ii) the American Arbitration

Association (the "AAA"). The arbitration will be governed by the Commercial Arbitration Rules and the Supplementary Procedures for Consumer Related Disputes (collectively, "AAA Rules") of the AAA, as modified by this Agreement. Where the terms of this agreement to arbitrate conflict with the AAA Rules, the terms of this agreement to arbitrate shall override and govern. The AAA Rules are available online at adr.org, by calling the AAA at 1-800-778-7879, or by writing to the Notice Address for the Company, which is listed in Section 14. The arbitrator is bound by the terms of this agreement to arbitrate. All issues are for the arbitrator to decide, except that issues relating to the scope and enforceability of the arbitration provision are for the court to decide. If your claim is for \$10,000 or less, the Company agrees that you may choose whether the arbitration will be conducted solely on the basis of documents submitted to the arbitrator, through a telephonic hearing, or by an inperson hearing as established by the AAA Rules. If your claim exceeds \$10,000, the right to a hearing will be determined by the AAA Rules. Regardless of the manner in which the arbitration is conducted, the arbitrator shall issue a reasoned written decision sufficient to explain the essential findings and conclusions on which the award is based. Upon your supplying appropriate request, and you documentation, the Company will reimburse your administrative costs for the arbitration over and above the costs associated with filing a case in court. If, however, the arbitrator finds that either the substance of your claim or the relief sought in the Demand is frivolous or brought for an improper purpose (as measured by the standards set forth in Federal Rule of Civil Procedure 11(b)), then the payment of all such fees will be governed by the AAA Rules. However, nothing in this paragraph will require or allow you or the Company to arbitrate on a class-wide, representative or consolidated basis. An arbitration award and any judgment confirming it apply exclusively to the specific case. The arbitration award and judgment cannot be used for any other case except to enforce the award itself.

You and the Company each agree that arbitration will only be pursued on an individual basis, and will not be pursued on a class-wide, representative or consolidated basis. This Agreement does not allow class, representative or collective

- arbitrations even if the AAA procedures or rules would. If for any reason any court or arbitrator holds that this restriction is unconscionable or unenforceable, then this agreement to arbitrate does not apply and the dispute must be brought in court.
- (f) You and the Company agree that notwithstanding this agreement to arbitrate, either party may bring qualifying claims in a small claims court. In addition, this arbitration provision does not prevent you from bringing your dispute to the attention of federal, state, or local government agencies (including the Commission's Consumer Services Division), and if the law allows, they can seek relief against the Company on your behalf.
- (g) If for any reason a claim proceeds in court rather than through arbitration, you and the Company agree that there will not be a jury trial. You and the Company unconditionally waive any right to trial by jury in any action, proceeding or counterclaim arising out of or relating in any way to this Agreement or the Services provided by the Company. In the event of litigation, this paragraph may be filed to show a written consent to a trial by the court.
- 11. **EMERGENCY**. In the event of an emergency such as a power failure or a downed power line, you should call your Utility. If your Utility is Eversource, call 1-800-662-7764; if your Utility is Unitil, call 1-800-582-7276 (Seacoast Region) or 1-800-852-3339 (Capital Region). You can also call your local emergency personnel at 911 if the emergency warrants.
- 12. LIMITATIONS OF LIABILITY WARRANTY. NEITHER YOU NOR COMPANY WILL BE LIABLE TO THE OTHER OR TO ANY THIRD PARTY FOR ANY CONSEQUENTIAL, EXEMPLARY, PUNITIVE, INCIDENTAL OR INDIRECT DAMAGES ARISING FROM BREACH OF THIS AGREEMENT, INCLUDING, WITHOUT LIMITATION, LOST PROFITS OR LOST REVENUES. COMPANY DOES NOT GIVE ANY TYPE OF WARRANTY, EXPRESS OR IMPLIED, AND TO THE FULLEST EXTENT OF THE LAW, DISCLAIMS ANY WARRANTY OF MERCHANTABILITY OR FITNESS FOR PARTICULAR PURPOSE. COMPANY WILL NOT BE LIABLE **FOR BILLING** OR

COMMUNICATION ERRORS AFTER 90 DAYS IF YOU DO NOT CONTACT US REGARDING SUCH ERRORS WITHIN 90 DAYS AFTER THE STATEMENT SHOWING THE TRANSACTION HAS BEEN MAILED TO YOU.

- 13. **FORCE MAJEURE**. Company will not be responsible for supplying Services to you in the event of circumstances beyond Company's control such as events of force majeure, as defined by your Utility or any transmitting or transportation entity, which includes but is not limited to acts of terrorism, sabotage or acts of God.
- 14. <u>CONTACTING COMPANY</u>. For any notice required in this Agreement or to contact us generally, you may contact the Company by (i) email, to support@ccienergyrewards.com, (ii) mail, at 535 Connecticut Avenue, 6th Floor, Norwalk, CT 06854, or (iii) phone, at 1-877-811-7023.

17. MISCELLANEOUS.

a. Use of Services. You must notify Company if you generate renewable energy or use net metering at your home or small business. If you use net metering, or if there is a Change in Usage, Company reserves the right to modify your Rate or terminate this Agreement

- and recover costs, if any. In addition, the Company has the right to refuse or terminate Services, and recover costs, if any, if your Service requirements are above the Usage Thresholds.
- b. Title; Risk of Loss. You and Company agree that title to, control of, and risk of loss of the Purchase Quantities supplied under this Agreement will transfer from Company to you at the Sales Points. Company and you agree that transactions under this Agreement are originated and consummated outside the jurisdictional limits of the municipality and county, or other taxing authority where your service address is located. If a taxing authority determines that a gross receipts tax or other tax is applicable to the sale of the electric service under this Agreement, you agree to pay such tax, as invoiced. For commercial customers only: (i) as between Company and you as a commercial customer, you will be deemed to be in exclusive control of the electricity and responsible for any damage, injury, charges, transportation fees, costs or losses at and after the Sales Points, including, without limitation, any losses that Company incurs that result from having to resell, or its inability to resell, to another party electricity supplies allocated for you and (ii) as between Company and you, Company will be deemed in exclusive control of electricity, and responsible for any damage, injury, charges, transportation fees, costs or losses until the electricity is delivered to the Sales Points; provided, however, that in no event shall Company's liability under this Agreement exceed the difference between the reasonable price of replacing any undelivered electricity and the price of electricity under this Agreement.
- c. Assignment. You may not assign this Agreement without prior written consent of the Company. Company reserves the right to sell, transfer, pledge or assign this Agreement and your account, and related revenues and proceeds for financial purposes or in connection with a sale. Before any assignment Company will provide you with at least 14 days notice of your right to select another supplier or return to your Utility. This Agreement is binding upon the parties hereto and their respective successors and legal assigns.
- d. Change in Law/Third Party Charges. This Agreement is subject to any federal, state, local, or utility changes in law, which includes changes in

legislation, regulatory actions, orders, rules, tariffs, regulations, policies, riders, fees, pricing structures, market structures, capacity charges, and changes in customer load profiles (each, a "Change in Law"). If there is a Change in Law which results in an increased cost to the Company, or Company is prevented, prohibited or frustrated from carrying out its intent under this Agreement, Company may terminate this Agreement with notice to you, or adjust your rate based upon such Change in Law. This provision applies to all rate plans, whether fixed, index or variable.

- e. Governing Law; Venue; Waiver of Jury Trial. To the maximum extent permitted by law, (i) Venue for any lawsuit brought to enforce any term or condition of this Agreement shall lie exclusively in the State of New Hampshire, (ii) the Agreement shall be construed under and shall be governed by the laws of the State of New Hampshire without regard to the application of its conflicts of law principles, and (iii) EACH OF **PARTIES HERETO IRREVOCABLY** THE WAIVES ANY AND ALL RIGHT TO TRIAL BY JURY IN ANY LEGAL, ARBITRATION OR OTHER PROCEEDING ARISING OUT OF OR RELATING TO THIS AGREEMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY.
- f. Non-Waiver. The failure by one party to require performance of any provision shall not affect that party's right to require performance at any time thereafter, nor shall a waiver of any breach or default of this Agreement constitute a waiver of any subsequent breach or default or a waiver of the provision itself.
- g. Severability. If any provision of this Agreement is held unenforceable, then such provision will be automatically modified to reflect the parties' intention. All remaining provisions of this Agreement shall remain in full force and effect.
- h. Non-Reliance. You acknowledge that (i) you are not relying on any advice, statements, recommendations or representations of the Company, other than the written representations in this Agreement; (ii) that you understand the risks of entering into this Agreement, including the risk that the Company's prices may be higher than your Utility's rates, and you are capable and willing to assume those risks; and (iii) you have made your own decision to enter into this Agreement, after

- consultation with your own advisors to the extent you deem necessary.
- i. Complete Agreement. This Agreement constitutes the final and complete agreement between you and the Company. It is the complete and exclusive expression of the terms and conditions agreed upon for the matters contained in this Agreement. All prior and contemporaneous negotiations and agreements between the parties on the matters contained in this Agreement are expressly merged into and superseded by this Agreement.
- j. Electronic Signatures and Notices. Each party agrees that electronic signatures, whether digital or encrypted, of the parties to execute this Agreement are intended to authenticate this writing and to have the same force and effect as manual signatures. Electronic signature means any electronic sound, symbol or process attached to or logically associated with a record and executed and adopted by a party with the intent to sign such record, including facsimile or email electronic signatures. Customer agrees that Company may send Customer notices via electronic means if Customer provides an email address or other way of communicating electronically. You have a duty to provide a correct, working email address and update it accordingly; if you fail to do so, you could miss important notices.

In the event you are not an Eligible Customer: (i) Company is not obligated to provide you with a thermostat; (ii) if you do not return to Company any thermostat you receive, you may be charged for the full market value of the thermostat; and (iii) your Service may be switched to the corresponding non-thermostat rate plan for your same Term.

You understand that to get the most out of your Wi-Fi thermostat you should register your thermostat online and follow the procedures described in the

accompanying instructions. You agree that Company may make real-time adjustments to your thermostat. Prior to any adjustment event, you will receive a notification on your thermostat providing you with the option to opt out of that specific adjustment event. You agree that, unless you opt out, Company may make these adjustments during and after the Term of this Agreement. If you would like Company to permanently cease all adjustments, you may opt out of all future adjustment events by contacting Company via email, mail, or phone as provided above. You may also manually override any adjustments to your thermostat at any time, and at no time are you obligated to keep your thermostat at the adjusted level. If you experience problems with your thermostat while you receiving Service under this Agreement, please contact Company as provided for in Section 14. Company may assist you with troubleshooting your thermostat, but will not be responsible for any work involving your thermostat that Company did not direct. If you request Company-approved technicians to install your thermostat, you are obligated to pay Company's invoice for such installation and failure to pay such invoice according to its terms shall constitute a Default under this Agreement.

m. Third Party Providers; Energy Related Products. The Company only provides electricity to you. Occasionally, Company may work with third party providers that will offer you energy related products or rebates related to your electricity purchases. If you select such offer or rebate from a third party, or elect to bundle or purchase a product that is not electricity, or if a product that is installed in your home by a third party provider, such as a thermostat ("Energy Related Products"), you must contact the third party provider of such Energy Related Products for any products issues, rebates, warranties, or billing and service questions.
