Motion for Protective Treatment

Dear Director Howland:

Enclosed please find an original and six copies of Enel X's motion for protective treatment as well as an original and six confidential copies of the supplemental testimony of Messrs. Sean Perry and Greg Geller of Enel X North America, Inc. for filing. Also, pursuant to N.H. Admin. R. Puc 203.02 and 203.08, one redacted public copy is also being filed.

The parties to the electronic service list are entitled to receive copies of the confidential attachments to the testimony because they are either the Commission's Staff ("Staff"), the Office of the Consumer Advocate ("OCA"), or Eversource. Staff and the OCA can access confidential information pursuant to the Commission's Puc 200 rules, Eversource has signed a non-disclosure agreement. Therefore, all recipients to the Commission's electronic service list are receiving a copy of the unredacted testimony and attachments.

Thank you in advance for your assistance with this filing.

Very Truly Yours,
