RE: DE 19-133
Public Service Company of New Hampshire d/b/a Eversource Energy
Petition for Preauthorization of Westmoreland Clean Innovation Project

Request to Amend Procedural Schedule

Dear Ms. Howland:

On October 1, 2019, the Commission issued a secretarial letter approving a procedural schedule in the above-captioned docket. Pursuant to that schedule, the parties were set to have a technical session on November 19, 2019. On November 19, 2019 Public Service Company of New Hampshire d/b/a Eversource Energy (Eversource) filed an assented to motion to amend the procedural schedule, requesting to reschedule the November 19, 2019 technical session for January 17, 2020. The Commission approved Eversource's request via Secretarial Letter on November 21, 2019.

Staff now requests, with the assent of the parties, that the Commission amend the procedural schedule once more and reschedule the January 17, 2020 technical session for February 18, 2020 at 10am. Rescheduling the technical session would optimize use of the parties' resources and not unduly delay this proceeding.

Thank you for your attention to this matter. Please do not hesitate to contact me should you have any questions.

Sincerely,

A handwritten signature in cursive script that reads "Brian D. Buckley".
