Philadelphia, PA 19125

Re: DM 19-160, US Energy Solutions Inc.  
Application to Register as Provider of Natural Gas Aggregation Service

Dear Mr. Busmachi:

On October 1, 2019, US Energy Solutions Inc. (US Energy) submitted an application with the Commission to register as a provider of natural gas aggregation service. On October 8, 2019, US Energy submitted a revised listing of CNGS's.

Commission Staff filed a memorandum on October 9, 2019, in which it confirmed its review of the application and its conclusion that the application meets the requirements for registration under N.H. Code Admin. Rules Puc 3000. Staff recommended that US Energy's registration application be approved for a two-year term.

The Commission has approved Staff's recommendation. Accordingly, US Energy's application for registration is approved, effective as of October 9, 2019. The registration is for a term of two years and expires at the close of business on October 9, 2021. Pursuant to Puc 3003.05(a), you must submit a renewal application at least 60 days prior to the expiration of the approved registration term, on or before August 10, 2021.

Please be aware that registered providers of natural gas aggregation service are subject to specific requirements contained in N.H. Code Admin. Rules Puc 3000 – Competitive Natural Gas Supplier and Aggregator Rules. These rules are available at:  
<http://www.puc.nh.gov/Regulatory/Rules/PUC3000.pdf>.

Sincerely,

A handwritten signature in black ink that reads "Debra A. Howland".

Debra A. Howland
