**Re: SUPPLEMENT TO DOCKET DE 19-172
PETITION OF PUBLIC SERVICE COMPANY OF NEW HAMPSHIRE D/B/A
EVERSOURCE ENERGY FOR LICENSE TO CONSTRUCT AND MAINTAIN
ELECTRIC LINES OVER AND ACROSS OTTER BROOK, NORTH BRANCH RIVER,
AN UNNAMED OUTFLOW STREAM OF ISLAND POND, AND THE ASHUELOT
RIVER IN THE CITY OF KEENE AND TOWNS OF STODDARD AND SULLIVAN**

Dear Director Howland:

Enclosed for filing with the Commission please find Public Service Company of New Hampshire d/b/a Eversource Energy's supplement to the above referenced petition for licenses to cross public waters and State owned land. Pursuant to the Commission's notice of March 17, 2020, this filing is only being provided by email.

This supplement includes replacement Exhibits 1 through 5 in response to requests from the PUC's Safety Division. The petition has been revised to reflect changes in measurements reflected in the replacement Exhibits 1 through 5 and to correct the identification of a public waters crossing in Stoddard to "Unnamed Outflow Stream of Island Pond" which had been incorrectly identified as the North Branch River in the original petition.

Eversource respectfully requests that the Commission issue an Order *Nisi* with respect to this supplemental crossing licenses application.

Should there be any technical questions concerning this filing, they may be directed to Eversource's Jeremy Fennell, Sr. Environmental Specialist, who can be reached at 603-634-3396 / Jeremy.fennell@eversource.com. Please include the following on the service list on behalf of Eversource Energy: Erik Newman (erik.newman@eversource.com); Melissa Price (Melissa.price@eversource.com); and Jeremy Fennell (jeremy.fennell@eversource.com).

Thank you for your assistance. Please let me know if you have any questions.

Sincerely,
