Re: DM 19-201, Squam River Power LLC  
Application to Register as a Competitive Electric Power Supplier

Dear Mr. Lane:

On December 17, 2019, Squam River Power LLC (Squam River) filed an application to register as a competitive electric power supplier (CEPS).

Commission Staff filed a memorandum on March 26, 2020 recommending that, because information required to complete the application was not provided within 60 days of Staff's request for that information, Squam River's registration application be rejected, pursuant to N.H. Admin. R., Puc 2003.01(c), and that this docket be closed.

Squam River's application for initial registration as a CEPS has been rejected, pursuant to Puc 2003.01(c), and this docket shall be closed.

Sincerely,

A handwritten signature in cursive script that reads "Debra A. Howland".
