Re: DM 20-151, Resource Energy Solutions, LLC
Application to Register as Provider of Natural Gas Aggregation Services

Dear Mr. Plutzer:

On September 17, 2020, Resource Energy Solutions, LLC (Resource Energy) submitted an application to the Commission to register as a provider of natural gas aggregation services.

Commission Staff (Staff) filed a memorandum on September 22, 2020, in which it confirmed its review of the application and its conclusion that the application meets the requirements for registration under N.H. Admin. R., Puc 3000. Staff recommended that Resource Energy's registration application be approved for a two-year term.

The Commission has approved Staff's recommendation. Accordingly, Resource Energy's application for registration is approved, effective as of September 22, 2020. The registration is for a term of two years and expires at the close of business on September 22, 2022. Pursuant to Puc 3003.06(a), Resource Energy must submit a renewal application at least 60 days prior to the expiration of the approved registration term, on or before July 24, 2022.

Please be aware that registered providers of natural gas aggregation services are subject to specific requirements contained in N.H. Admin. R., Puc 3000 – Competitive Natural Gas Supplier and Aggregator Rules. These rules are available at:
<http://www.puc.nh.gov/Regulatory/Rules/PUC3000.pdf>.
