PUBLIC UTILITIES COMMISSION**

**DE 17-124**

**PUBLIC SERVICE COMPANY OF NEW HAMPSHIRE  
D/B/A EVERSOURCE ENERGY**

**Sale of Generating Facilities**

**ORDER OF NOTICE**

On July 1, 2016, the Commission issued Order No. 25,920 approving the 2015 Public Service Company of New Hampshire Restructuring and Rate Stabilization Agreement and the Partial Litigation Settlement Agreement (Settlement Agreements). The Settlement Agreements require Public Service Company of New Hampshire d/b/a Eversource Energy (Eversource) to sell its generating assets. In September 2016, the Commission selected J.P. Morgan (JPM) to serve as its auction advisor and to conduct the sale of the generation assets. A petition for approval of the sales will be filed by Eversource at the conclusion of the auction. Final binding bids in the auction are due in late August 2017. Because RSA Chapter 369-B and the Settlement Agreements, as well as the needs of the marketplace, require this to be an expedited proceeding, the Commission opens this docket to clarify certain procedural issues before commencing the review process.

Any subsequent docket filings, other than any information for which confidential treatment is requested of or granted by the Commission, will be posted to the Commission's website at [www.puc.nh.gov](http://www.puc.nh.gov).

The Commission adopts the following procedural schedule which will commence with the Commission's acceptance of the petition:

Petition to Approve Sale of Assets (Target, Sept. 28, 2017)	Day 1
Attachments – Purchase and Sales Agreement(s)	
Eversource Testimony on terms of sale, application of proceeds and resulting stranded costs to be securitized	
J.P. Morgan Testimony on auction process, bid selection and terms of sale	
Technical Session	Day 10
Rolling Data Requests (answered within 7 days)	Day 10-17
Eversource and JPM Data Responses	Day 17-24
Technical Session	Day 31
Intervenor Testimony on Sale	Day 38
Rolling Data Requests (answered within 7 days)	Day 43-50
Intervenor Data Responses	Day 50-57
Hearing on the Merits	Day 60-62
Written Closing Statements	Day 65

When the auction is completed and the sale results and purchase agreements are filed for approval, the Commission will adjust this schedule as appropriate to account for any changes required by intervening holidays and weekends.

The Commission intends to treat confidential auction data in this docket in the same manner as it was treated in the Seabrook Station sale, *see* Order No. 24,050 (Sept. 12, 2002). Confidential auction data, with losing bidder names and identifications redacted, will be stored in a secure place at the Commission, and access for review, but not for copying, will be given to appropriate intervenor representatives approved by the Commission and subject to the terms of the Commission's protective order. The protective order will prohibit disclosure or use of the confidential auction data, other than for purposes of participating in this docket.

This proceeding is intended to review the results of the auction process for the sale of Eversource's generation facilities as provided by Order No. 25,920. This matter raises, *inter alia*, issues related to whether the sale or sales maximize the value of the sale(s) and conform to Order No. 25,920, the Settlement Agreements, RSA Chapter 369-B, RSA Chapter 374-F and RSA

374:30. Each party has the right to have an attorney represent the party at the party's own expense.
