**Petition for Authority to Issue Long Term Loans**

**Order *Nisi* Granting Approval**

**NOTICE OF ORDER NO. 25,480**

**March 27, 2013**

**SUMMARY OF ORDER**

Pennichuck East Utility, Inc. (PEU) is a regulated water utility pursuant to RSA 362:2 and 362:4 and is wholly owned by Pennichuck Corporation (Pennichuck), which in turn is wholly owned by the City of Nashua. On January 16, 2013, PEU filed a petition seeking authority, pursuant to RSA 369, to enter into three long term loans: two replace existing short term debt in the aggregate amount of \$3,925,000; one refinances existing long term debt with Pennichuck in the amount of \$1,723,150. PEU also requests approval to issue a security interest in utility property pursuant to RSA 369:2. The petition and subsequent docket filings, other than any information for which confidential treatment is requested of or granted by the Commission, is posted to the Commission's website at <http://www.puc.nh.gov/Regulatory/Docketbk/2013/13-017.html>.

Two of the proposed loans are with CoBank, ACB (CoBank) in the principal amounts of \$925,000 and \$1,723,150. The terms of the first loan are for level monthly payments and an amortization period of 20 years. The annual interest rate will be finally determined based on market conditions, and is currently estimated at 4.35%. The proceeds of this loan will be used to refinance intercompany short term debt from Pennichuck. The second loan calls for level monthly payments and an amortization period of 10 years. The interest rate will be based on

market conditions, currently estimated at 3.75%. The proceeds will be used to refinance existing intercompany long term debt currently carrying an interest rate of 7.0%.

The third loan is a proposed \$3,000,000 loan from Pennichuck, to replace a like amount of existing short term debt which was used for capital improvements. It calls for level monthly payments, an amortization period of 10 years, and an annual interest rate of 2.65%. The indebtedness to Pennichuck will be subordinate to CoBank.

On March 12, 2013, Staff filed a letter recommending approval of the three loans as well as the granting of a security interest in PEU's equity interest in CoBank. Staff stated that the terms of the loans are reasonable, the use of the proceeds is appropriate, and that the Office of the Consumer Advocate concurred in its recommendation.

PEU's request is governed by RSA 369:1 which requires Commission approval of indebtedness payable for more than 12 months if the Commission finds the proposed issuance to be "consistent with the public good." *See Appeal of Easton*, 125 N.H. 205, 211 (1984) and *In re PSNH*, Order No. 25,050, 94 NH PUC 691, 699 (2009).

The Commission finds that PEU's proposed refinancings are appropriate, represent prudent utility management, and are consistent with the public good. Accordingly, the Commission approves, on a *nisi* basis, the proposed refinancings and grants a security interest in PEU's equity interest in CoBank, as requested, in order to effectuate the loans with CoBank. All persons interested in responding to this Order *Nisi* may submit their comments or file a written request for a hearing which states the reason and basis for a hearing no later than April 15, 2013 for the Commission's consideration; any party interesting in responding to such comments or request for hearing shall do so no later than April 22, 2013. This Order *Nisi* shall be effective April 26, 2013, unless the Commission provides otherwise in a supplemental order issued prior to the effective date.
