Re: DW 15-199, Abenaki Water Company
Request for Change in Rates
Extension of Time

To the Parties:

On May 21, 2018, Abenaki Water Company (Company) filed a request for an extension in connection with a one-time adjustment that may be made to the Company's Belmont sewer rates. In its request, the Company advised the Commission that the City of Laconia plans to present their findings on their rate study to the City Council with a late fall implementation of rate changes. The Company will require additional time to recommend a one-time adjustment to the Belmont sewer rates.

The Commission has determined that approval of the extension requested by the Company is in the public interest, and has elected to extend the deadline for the Company's Belmont sewer rate filing until December 30, 2018.

Sincerely,

A handwritten signature in black ink, appearing to read "Debra A. Howland".
