Request for Change in Rates
Modification to Procedural Schedule

To the Parties:

On August 21, 2017, Staff filed a request to add a technical session to the schedule in the above referenced proceeding. Staff states that due to the large number of issues and schedules of the parties, an additional technical session is requested for August 28, 2017.

The Commission has determined that scheduling an additional technical session is in the public interest and therefore has approved the request. Accordingly, a technical session is scheduled for August 28, 2017 at 10:00 a.m.

Sincerely,

A handwritten signature in black ink that reads "Debra A. Howland".
