RE: IntelePeer, Inc. – Compliance with 47 C.F.R. §51.907

Dear Ms. Howland:

On November 18, 2011, the Federal Communications Commission (the "FCC") issued its *Report and Order and Further Notice of Proposed Rulemaking* in *WC Docket No. 10-90* (the "FCC Order") requiring carriers to lower their intrastate access rates 50% toward their interstate rates by July 1, 2012, and to lower their intrastate access rates the remaining 50% by July 1, 2013. This requirement is now codified in 47 C.F.R. §51.907.

IntelePeer, Inc. ("IntelePeer") hereby notifies the New Hampshire Public Utilities Commission that its intrastate access tariff rates already mirror its interstate tariff rates. As such, IntelePeer is already in compliance with the FCC Order and will not be submitting any additional tariff filings at this time.

Please contact me with any questions or concerns.

Sincerely,

Anthony Gallegos
